

Dear Parents and Guardians of **Ouachita Christian School Student**

We are excited to announce a new and improved system for managing student meal accounts, launching August 2025! This change is part of an ongoing effort to make supporting your student's meals more convenient and seamless.

The current system will be used until the last day of school. Any unused meal account funds at the end of this school year will automatically transfer to your student's account for next school year.

My School Bucks allows you to create an account to conveniently and securely add money to your student's meal account online or with the mobile app. You will be able to view dining purchases, check your student's balance, receive low balance alerts and pay for school meals from anywhere!

Stay tuned for more updates this summer. Thank you for continued support in helping us provide healthy and delicious meals to your children. We look forward to a smooth and successful rollout of this new system!

Sincerely,

**Chris Foster**
